

INTRODUCTION

This publication contains SAFETY BULLETINS which were researched, written, and distributed by the Industry Wide Labor-Management Safety Committee for use by the motion picture and television industry. The Industry Wide Labor-Management Safety Committee is composed of Guild, Union, and Management representatives active in industry safety and health programs.

These SAFETY BULLETINS are guidelines recommended by the Safety Committee. They are not binding laws or regulations. State, federal, and/or local regulations, where applicable, override these guidelines. Modifications in these guidelines should be made, as circumstances warrant, to ensure the safety of the cast and crew.

The Committee and these SAFETY BULLETINS are representative of the commitment of both Labor and Management to safe practices in the motion picture and television industry. The members of the Committee and all those who contributed to its work have devoted a great deal of time and effort to these guidelines because of the importance of safety to our industry.

All industry personnel have legal and moral responsibility for safety on the set or wherever they may be working. These SAFETY BULLETINS may be reproduced and attached to Call Sheets or otherwise distributed to affected employees.

SAFETY BULLETINS are written or revised to meet new standards or situations. Your questions or suggestions are invited. Safety is something in which we all have a share.
