WE'RE MOVING! ANNOUNCING OUR NEW FACILITY!

As of Tuesday, July 5, 2016, we will be located at 2710 Winona Avenue.

Excitement is building! Beginning July 5, 2016, services provided by CSATF/CSATTF for the motion picture and television industry will be offered at our new facility, 2710 Winona Avenue, next door to our current location.

For nearly 50 years, CSATF/CSATTF has partnered with producers, guilds, unions, and employees to carry out the vital behind-the-scenes tasks that help keep the entertainment industry working safely, smoothly and efficiently. Recently, producers and unions agreed that current

knowledge of industry-related safety practices is critically important and thus negotiated Refresher Training. Beginning this year, tens of thousands of industry employees will refresh their Safety Pass training on a periodic basis. As the industry has grown over the past 50 years, we have grown alongside it. New industry-wide initiatives, such as Refresher Training, fueled the need to expand our operations and facilities.

The vibrant design of 2710 Winona Avenue provides additional classrooms, an increased number of lobby

windows, a computer lab and a parking structure that offers free, off-street parking. To access the structure, enter Gate 2 from Winona Avenue. We look forward to welcoming you to our new home!
